CASINO GAMES

CRAPS Bet on the outcome of the roll of a pair of dice and roll that same number again before a seven is rolled!

BLACK JACK Get a hand with a score of as close to 21 as possible, without going over it. Go over 21 and you're out!

ROULETTE Bet on a red or black numbered spot of a revolving wheel in which small ball is spun in the opposite direction. Hope that it ends on the number you bet on!

TEXAS HOLD 'EM Use your 'hole cards' in combination with the community cards to make the best possible five-card poker hand!

LET'S HEAR IT FOR OUR SPONSORS
